

Comments from Past Retreats

"This weekend was unlike anything that I have ever experienced. I did not know what to expect, but I never would have expected anything like this. It was an absolutely wonderful experience."

"For the first time I feel I can go forward without being pulled down by the past."

"Someone was always there with an encouraging word or hug. It definitely made the difference because we've all been alone and hiding from this issue for so long that we needed to be with others who were in the same boat. I am so thankful the Lord brought me here."

"I experienced forgiveness and hope that I did not believe were available to me."

"The retreat is a true blessing to all post-abortive women who are in search of forgiveness, who wish to be reconciled with the Lord, and who are in need of the wholeness only He can provide."

"I finally realized that I was not alone, that God had never abandoned me. When I finally knew in my heart that his love had always been unconditional, only then did I give myself permission to let go of the edge and travel through that vortex to emerge safely on the other side. I am a person forever changed by the journey."

Project Rachel: A Journey of Post-Abortive Healing

Who We Are

If you are suffering from the effects of an abortion, we want you to know that there is help and there is hope.

Through volunteers, professional counselors and clergy, Project Rachel helps women, men, and families deal spiritually and psychologically with their participation in an abortion and offers a means to extend the healing grace of God. In a caring and hopeful context, you will be able to move toward reconciliation—with yourself, God, family, and the aborted child.

About the Retreat

The weekend retreat is an opportunity to experience God's love, forgiveness, and compassion in a supportive and confidential environment. Through prayer, discussion, and Living Scripture exercises, participants are able to make their way through the critical steps of post-abortion healing. The sacrament of Reconciliation is available to offer the powerful and loving embrace of Christ, and the retreat concludes with a memorial service and a Mass of Resurrection. Though a Catholic Mass is celebrated, the focus of the retreat is a Biblical healing process, and women and men of any denomination are welcome.
